ABOUT ME

Electronics Engineering fresh graduate from Semarang State Polytechnic. Experienced in industrial automation, PLC programming, PCB design, and technical administration. Passionate about embedded systems and eager to apply academic and practical knowledge to real-world challenges as an Electronic Engineer or Administrator.

EDUCATION

2023 – 2026

D3 – Electronics Engineering

Semarang State Polytechnic, Semarang, Indonesia

Skills: Arduino IDE, Proteus, MATLAB, PLC Programming

2018 – 2022

Mechatronics Engineering

Semarang State Vocational High School 7 (STEMBA), Semarang, Indonesia

Skills: Arduino IDE, Eagle, AutoCAD, FluidSim, Electro-pneumatics

WORK EXPERIENCE

Sept - Dec 2025

Internship | PT Ruang Industri Indonesia

Worked on PLC programming and industrial automation systems. Used Microsoft Visual Studio Code and Python for automation scripting. Gained hands-on experience with control systems and sensor integration.

2022 – 2023

Admin Record | PT Ungaran Sari Garments

Managed administrative records and data entry for production processes. Proficiently used Microsoft Excel for inventory tracking and reporting. Coordinated documentation workflows across departments.

August - Dec 2021

Internship | PT DTECH Inovasi Indonesia

Inventory Management, Research & Analysis System Dorlock and Attendance Machine.

2021

Freelance | KPUPR Photographer Event at Setos Hotel Semarang

SKILLS

Technical Skills

- Arduino IDE & Embedded Systems
- Programmable Logic Controller (PLC)
- PCB Design (Eagle PCB, Proteus)
- Electrical and Electronics Measuring Tools
- Sensor Integration and IoT System

Soft Skills

- Technical Communication
- Teamwork and Individual Work
- Analytical Problem Solving
- Attention to Detail

Language Skill

- English
- Indonesian

ACHIEVEMENTS / CERTIFICATIONS / TRAINING

Certificate Competence of Industrial Automation

Badan Nasional Sertifikasi Profesi (BNSP) | ID:78411.31190.0007038 2025 | Skills: PLC Programming & Industrial Automation

Internship Certificate

Ruang Industri Indonesia | ID: MAG/EK/027/001/2026 | Skills: PLC, Python, VS Code

Pelatihan Desain PCB & Pembuatan PCB untuk Industri

INDOMAKER | ID:IIM/ESRT/PCBT/2024/XI/014 | Skills: PCB Design & Manufacturing

Certificate PersCert TÜV Pneumatic System Maintenance

TÜVRheinlandGroup | ID:62372/21/1139 | Skills: Pneumatics, Electro-pneumatics

Field Work Practice Certificate

DTECH-ENGINEERING | ID: 13.265/DTECH/XII//2021 | Skills: Eagle PCB, Arduino IDE
